AT 3818

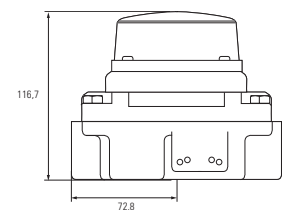

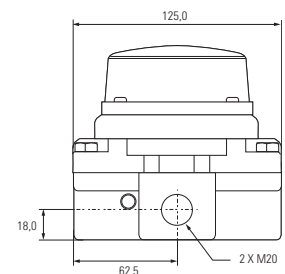

Article number	R S K	Performance	Accessories to pneumatic actuators
	F		F,R
3818TXP N-EX		Pneumatic single acting;Pneumatic double acting	Limit switch box ATEX classed
3818ACT		Pneumatic single acting;Pneumatic double acting	Limit switch boxes

Ex-rated limit switch unit for indication of open/closed position of the actuator which follows the standard VDE/VDI 3845 (Namur ) eg through mechanical potential free contacts.  
The unit consists of nested switches with visual display mounted on the top of the actuator.

## Technical information

	AT3818
Material	Aluminum
EX class	ATEX/IECEX II2GD Ex d IIC; Ex A21
Surface coating	Epoxi
Protection	IP67
Cable gland	M20x1,5
Ambient temperature	-50°C to + 80°C
Switch SPDT	2 x NO/NC
Voltage max	120V AC/DC
Visual indicator	90° Green/Red
